

Dear Andrea Beatriz Villagran Anton:

On behalf of the McCain Institute for International Leadership at Arizona State University, it is my privilege to invite you to join the Institute in Bogotá, Colombia from August 1-5, 2022 for the McCain Global Leader's Changemaker Tour.

The Changemaker Tour will connect you with peers from your region and is a critical component of your participation in the McCain Global Leaders program. During the tour in Colombia, you will focus on the regional theme of "Migration and Displaced Populations" by working on case studies, collaborating with your peers and engaging with individuals and experts from the legislative branch, government, local leaders, civil society and non-profit organizations. You will also have the opportunity to do site-visits to historical and cultural locations that reflect the regional theme.

The McCain Institute will coordinate all arrangements related to your participation in the program as well as cover any financial costs associated with the program.

We look forward to you joining us in Bogotá!

Kind regards,
